

## Learning Library Quality Fundamentals Courses

| Course title   | Course link  |
|--|--|
| ASQ Learning Institute Quality Training: Team Basics | <a href="#">ASQ Learning Institute Quality Training: Team Basics   ASQ</a> |
| Correlation and Regression                           | <a href="#">Correlation and Regression   ASQ</a>                           |
| Data Analysis  | <a href="#">Data Analysis   ASQ</a>  |
| Data Collection                                      | <a href="#">Data Collection   ASQ</a>                                      |
| Failure Mode and Effects Analysis - Managing Risk    | <a href="#">Failure Mode and Effects Analysis - Managing Risk   ASQ</a>    |
| Hypothesis Testing                                   | <a href="#">Hypothesis Testing   ASQ</a>                                   |
| Innovation Management                                | <a href="#">Innovation Management   ASQ</a>                                |
| Introduction to Statistical Concepts 5S              | <a href="#">Introduction to Statistical Concepts   ASQ 5S   ASQ</a>        |
| Gemba - Going to the Source                          | <a href="#">Gemba - Going to the Source   ASQ</a>                          |
| Introduction to Lean Principles                      | <a href="#">Introduction to Lean Principles   ASQ</a>                      |
| Kaizen   | <a href="#">Kaizen   ASQ</a>   |
| Problem Solving Using A3                             | <a href="#">Problem Solving Using A3   ASQ</a>                             |
| Value Stream Mapping                                 | <a href="#">Value Stream Mapping   ASQ</a>                                 |
| Measurement System Analysis (MSA)                    | <a href="#">Measurement System Analysis (MSA)   ASQ</a>                    |
| Plan-Do-Check-Act                                    | <a href="#">Plan-Do-Check-Act   ASQ</a>                                    |
| QTools™ 5 Whys                                       | <a href="#">QTools™ 5 Whys   ASQ</a>                                       |
| QTools™ Check Sheet                                  | <a href="#">QTools™ Check Sheet   ASQ</a>                                  |
| QTools™ Fishbone Diagram                             | <a href="#">QTools™ Fishbone Diagram   ASQ</a>                             |
| QTools™ Flowchart                                    | <a href="#">QTools™ Flowchart   ASQ</a>                                    |
| QTools™ Pareto Chart                                 | <a href="#">QTools™ Pareto Chart   ASQ</a>                                 |
| QTools™ Run Chart                                    | <a href="#">QTools™ Run Chart   ASQ</a>                                    |
| QTools™ Scatter Diagram                              | <a href="#">QTools™ Scatter Diagram   ASQ</a>                              |
| Risk Management Specialized Credential E-Learning    | <a href="#">Risk Management Specialized Credential E-Learning   ASQ</a>    |
| Root Cause Analysis                                  | <a href="#">Root Cause Analysis   ASQ</a>                                  |
| Variation and Control Charts                         | <a href="#">Variation and Control Charts   ASQ</a>                         |

Please see page 2 for courses available as add-ons.

## Add-on Courses

| Course title                         | Course link  |
|--------------------------------------|--|
| Lean Six Sigma Black Belt E-Learning | <a href="#">Lean Six Sigma Black Belt E-Learning   ASQ</a> |
| Lean Six Sigma Green Belt E-Learning | <a href="#">Lean Six Sigma Green Belt E-Learning   ASQ</a> |

As an IACET Accredited Provider, ASQ offers IACET CEUs for its learning events that comply with the ANSI/IACET Continuing Education and Training Standard.
