

SPONSORS:

1. Sponsor Gold: RPM Academy

<https://platinum-rpmacademy.talentlms.com/plus/>

RPM-Academy is a Canadian online learning organization helping individuals and organizations move beyond knowledge to real capability. Through Lean Six Sigma, continuous improvement, and practical learning experiences—including interactive Virtual Process Labs—we equip professionals with the skills and confidence to solve problems, improve performance, and lead meaningful change.

2. Sponsor Platinum: Simplicity Advantage

Company Website: <https://simplicityadvantage.com>

Simplicity Advantage is a consulting firm dedicated to helping organizations achieve sustainable improvement and long-term growth. The firm partners with clients to solve complex challenges through discovery, solution-focused thinking, and effective change enablement. Leveraging expertise in process thinking, systems thinking, and the scientific method, Simplicity Advantage develops practical, evidence-based strategies that enhance performance and deliver lasting results.

In addition to consulting, Simplicity Advantage offers training and certification programs designed to build the skills and capabilities needed to sustain organizational change. Its distinctive "Learn and Do" approach integrates just-in-time instruction with hands-on workplace application, enabling participants to immediately apply new concepts while fostering long-term adoption of improved practices. The firm's services include strategy deployment, rapid cost reduction, Lean implementation, staffing and recruiting, and organizational development, supporting clients across the healthcare, manufacturing, and financial services sectors.
