## Visiting Orlando

**Typical Weather** - Average high in mid-May is mid 80's°F and average low is 70's°F.

**Dress for Heat + Humidity**  
May in Orlando is hot and humid, so lightweight, breathable clothing is key.

**Expect Quick Rain**  
Afternoon showers are common but brief, so a small umbrella or poncho comes in handy.

**Wear Comfortable Shoes**  
The Orlando World Center Marriott is large, so expect plenty of walking between sessions and events.

**Stay Hydrated**  
Keep water with you throughout the day, especially when moving between A/C and outdoor heat.

**Pack Layers**  
The Orlando World Center Marriott and meeting spaces can be chilly due to strong A/C.

**DISNEY**
